***2018 HUNTSMEN GAMES will be the platform for Nevadans
to qualify for the 2019 National Senior Games***

Time Trial: Wednesday, October 10, 2018

Road Race: Friday, October 12, 2018

Major road construction at Highway 93 and Interstate 15 is occurring at the location of the NSG cycling races. Nevada Department of Transportation is unable to assure a use permit at this time. By competing in the 2018 Huntsman World Senior Games cycling time trial and/or road race Nevadans will be able to qualify for the 2019 National Senior Games to be held in Albuquerque, New Mexico.

Register directly for the Huntsman Games through their website: <https://seniorgames.net>. Huntsman Games registration opened March 1, 2018. Results of all Nevada participants will be provided to NSG. Nevada will use those results to submit qualifying cyclists to the National organization. The Huntsman Games have 4 levels of competition in addition to age-group divisions. Qualifying will be determined by Nevada finishers in each age group, starting with Level I competitors, moving to Level II, than Level III, than Level IV, until 3 Nevadans fill each age division.

While this information will be available on the NSG website you will NOT be able to register through our Nevada Senior Games site. NSG will issue a notice of Nevada results and qualifiers to those who participated at Huntsman. Medals will be made available upon request. We regret the need to move our cycling event across the border but want to assure Nevadans an opportunity to qualify for the National games taking place in Albuquerque. We extend our gratitude to the Huntsman Games for helping create this opportunity. Feel free to contact us if you have further questions.
