Our race location and timing company are not available this year for the Nevada Senior Games Cycling competitions. However, arrangements have been made with the Huntsman World Senior Games (HWSG) for Nevadans to qualify for the 2019 National Senior Games to be held in Albuquerque, New Mexico.

Register directly for the HWSG through their website: <https://seniorgames.net> or, if questions, call their office at 1-800-562-1268. Results for all Nevada participants will be provided to NSG. Nevada will use those results to submit qualifying cyclists to the National organization. The Huntsman World Senior Games have 4 skill levels of competition in addition to age-group divisions. Qualifying will be determined by Nevada finishers in each age group, starting with Level I competitors, moving to Level II, then Level III, then Level IV, until 4 Nevadans fill each age division. The top four Nevadans per age group in the HWSG 5K Hill Climb Time Trial will qualify those competitors for the 5K and/or 10K 2019 NSGA Cycling events. The top four Nevadans per age group in the HWSG Road Race will qualify for the 20K and/or 40K 2019 NSGA Cycling events. HWSG is USAC sanctioned. For more information see the HWSG website.

While this information is available on the NSG website you will NOT be able to register through the Nevada Senior Games site. NSG will issue a notice of Nevada results and qualifiers to those who participated at the Huntsman World Senior Games. Nevada medals will be made available upon request. We regret the need to move our cycling event across the border but want to ensure Nevadans an opportunity to qualify for the 2019 National games taking place in Albuquerque. We extend our gratitude to the Huntsman World Senior Games for helping create this opportunity. Feel free to contact us if you have further questions.
