The top four finishers in each group will qualify for the 2021 National Senior Games (NSGA) tournament, which will also be changing to this age/skill format.

Groups of six or more will play a double elimination format. Brackets of fewer than six may be combined with other brackets and/or play a Round Robin based on the number of registrants. The Tournament Director reserves the right to change the format of play, depending on registration numbers, weather conditions or other restrictions.

All players are asked to create and/or maintain a profile on pickleballtournaments.com and to register there as well. Check pickleballtournaments.com for all updated tournament information as it occurs.
